**Subject: District 2-S3 Update: Flood Disaster Relief Efforts & How You Can Help**

Dear LCIF Club Coordinators,

I hope you are doing well.

I wanted to take a moment to update you on the ongoing efforts within our district and across the state in response to the devastating floods that have affected several Texas communities since July 4th.

Thanks to the leadership of our Council Chair, Dr. Kathy Summers, Texas Lions have been awarded a **Statewide Major Catastrophe Grant from LCIF for \$100,000**. This grant is designated to support relief efforts in **three impacted districts**, including our own **District 2-S3**.

In addition to this statewide grant, **District 2-S3 has been awarded an Emergency Grant of \$15,000** from LCIF to provide immediate assistance to those affected in our region.

To continue expanding our efforts, **District 2-S3 is now actively collecting donations** from local clubs in preparation for applying for an **LCIF Matching Grant**. Your support is essential as we strive to maximize aid for our communities.

If your club is interested in contributing, you may send donations in the following ways:

**Option 1 – Send to the District**

**Make checks payable to:**

**District 2-S3 Flood Disaster Relief Fund**

**Mail to:**

Lions Club District 2-S3

P.O. Box 1749

Wimberley, Texas 78676

**Option 2 – Send directly to LCIF**

**Mail to:**

LCIF

Department 4547

Carol Stream, IL 60122-4547

Be sure to:

- **Mark checks clearly for “Disaster Relief Fund”**
- **Include your individual membership number** (if donating as an individual)
- **Include your club number** (if donating as a club)

If you prefer, feel free to contact me directly—I would be happy to assist with handling the paperwork or answering any questions you may have. If you are unable to make a financial donation, I will be sending an email out to you with a list of needed items that you may want to collect and donate to designated areas

Your dedication and support make a real difference. Thank you for continuing to live out our mission of service during these challenging times.
