The Garrett Kunkel Memorial Project

is our way of keeping G's memory and love of service alive. In memory of Garrett Kunkel, we are building hope—one home, one heart, one life at a time through the Garrett Kunkel Memorial project

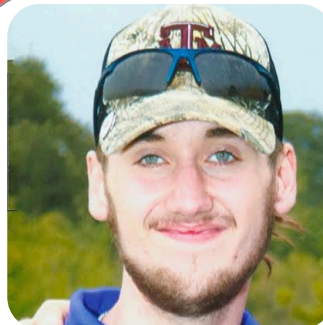

Garrett Kunkel lived a life rooted in compassion, hard work, and service to others. To honor his legacy, our nonprofit project was created to reflect the values he held dear, helping those who need it most through hands-on action and heartfelt care.

Our mission is to improve the living conditions and quality of life for the elderly, people with disabilities, low-income individuals, and others facing hardship within our community. Many in our communities are living in unsafe, deteriorating conditions—unable to make essential repairs or access basic comforts due to physical or financial limitations.

Your support allows us to purchase materials, train volunteers, and expand our reach, so we can bring safety, stability, and hope to our community.

Every gift you give becomes part of Garrett's enduring impact and a legacy of love in action.

Together, we can transform lives and homes, just as Garrett would have done—with humility, generosity, and heart.

THANK YOU to our "Handy Helper" & "Master Craftsman" Sponsors!
