

12-30-2025

Dear Lions Jeff & Terri Kunkel,

Thank you for your generous in-kind donation to the Crisis Center of Comal County on 12-30-2025 to support our mission of service to New Braunfels and surrounding communities.

Since we opened our doors in 1986, the mission of the Crisis Center of Comal County has been to provide crisis and prevention services to victims of domestic violence and sexual assault. We provide a safe environment where an adult victim can make well informed, objective and often difficult decisions about their future. It is only with the unwavering support of community leaders like you that we are able to offer comprehensive services to our community's most vulnerable women, men, and children.

This past year alone, the Crisis Center of Comal County has served over 1,700 clients. We have provided a 24/7/365 crisis hotline and response team who have answered over 1,900 calls. We have expanded our shelter to be able to welcome women and children experiencing homelessness along with victims of domestic and sexual violence. We have also provided over 10,412 hours of service to nonresidential clients. In these unprecedented times, the number of domestic violence cases has skyrocketed across Texas and our entire world, making the victim services we provide more essential than ever before.

In your willingness to partner with us, you have taken action necessary to help cultivate a safer and more aware community where help is kindly provided to those who need it most. For your generosity and resolute support, I sincerely thank you. You have made a positive and lasting impact on this community, and it is my promise that we will not take your selflessness for granted as we continue to do our very best to serve those most in need.

With warmest regards,

Julie Strentzsch, PhD, LPC
